Adreka!
PHONE GENIE
YOUR PHONE AT YOUR COMMAND

Adreka's Phone Genie gets your customers calling you!

Whether it's TV, radio, Internet, or print, Adreka leverages its network of over 400 media channels to connect those in need of your products or services to your business – instantly.

"I did not realize how many customers I was missing!" - Job Walker, Mr. Handyman

We Target Your Phone Calls

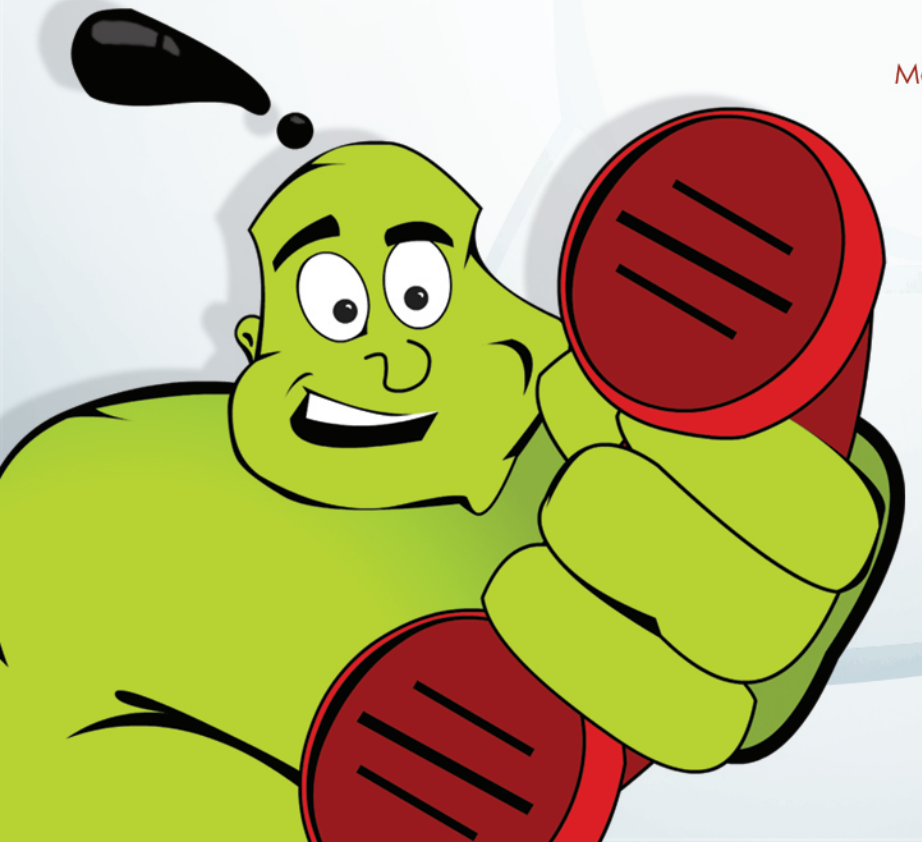
Adreka's effective Phone Genie provides you with customers who are already interested in how your business can help them. Plus, You control exactly when you want to receive your calls by setting your business hours.

"I had 15 new clients within the first month" - Barbara Sanders, Bodyplex Fitness

You Only Pay for Your Calls

Each month, Adreka will send you a report detailing the calls you received, when you received them and who called you. This valuable information is yours FREE! You ONLY pay for the call.

"Instant Marketing Gratification, Money well spent!" - Mark Chapman, Optimum Mortgage



Start getting calls from new customers TODAY!

(1-888-237-3521)

How it Works

Consumers are initially targeted and exposed to generic industry advertisements through a variety of media. Interested customers then call a hotline associated with a rotating phone queue that includes your phone number. The system then directly connects you to the incoming call during the hours you specify. Finally, the system logs the customer's contact information and sends it to you for additional marketing purposes.
